

THE MANCHESTER MODEL ENGINEERING EXHIBITION **2019**

23RD - 24TH FEBRUARY 2019
QUEEN ELIZABETH HALL, OLDHAM

See overleaf for further information

MMEX IS BACK FOR 2019!

The Queen Elizabeth Hall is situated in Oldham town centre and is convenient for the motorway network, bus and Metrolink services. There is free parking for up to three hours on both exhibition days with alternative, cheap, all-day parking nearby. The satellite navigation location is New Radcliffe Street, Oldham, OL1 1NL (which is not the same as the venue's official postal address and postcode).

Setting-up will be on Friday, 22 February, 2019. The QEH offers plenty of space to display models and products in a relaxed and sociable atmosphere. There is easy access to the hall for people with mobility problems and lift access to all exhibition areas. Operating models will again compete for the MMEX trophy.

HELP WANTED

Volunteers are required to help with all aspects of MMEX, 2019.

YOUR EXHIBITION NEEDS YOU!
